Dear Valued Customer,

This letter is to announce that CTI Controltech is now the exclusive Check-All Valve representative for Northern California and Nevada (excluding Clarke County) as of 9/1/2017. CTI Controltech's expertise is in burner management, combustion control and process control in industries such as; Refining, Power (including renewable such as Geothermal and Solar), Food, Specialty Chemicals, Mining, Semi-conductor, and OEMs. Their combined experience, technical background and product training will help provide you with the service and technical support that you have come to expect from Check-All Valve.

If you have any questions, comments, or concerns regarding the Check-All product line, please feel free to contact Fluid Control Specialties, Inc. or Check-All Valve at the following:

CTI Controltech
